Welcome to SERVE's 1st Christian Educators' EXPO!

Dear Friends,

We are excited to welcome you to the first Christian Educators' EXPO, presented by SERVE, Inc.! Whether you're just beginning to explore alternatives to public education or are already on your home-schooling or alternative education journey, we're thrilled you're here to take this important step with us.

We believe that all students deserve an education that nurtures their mind, spirit, and heart—and includes a variety of educational opportunities that align with Christian virtues because we are creating disciples. This event is designed to build community by meeting those who are shaping our community and to explore most of the options available right here in Northeast Wisconsin, from Christian schools and homeschool groups to disciple-making programs and parachurch organizations. With a couple dozen booths to explore, you'll be able to connect with leaders in Christian education who share your heart for student growth.

The Christian Educators' network has been collaborating for some time now, and our goal is simple: to support families and foster unity among those who care for, educate, and disciple young people. We hope to equip you with the resources and connections you need to make the best decision for each child's future.

As we continue to grow, our vision extends beyond education to a thriving community—one that offers shared experiences, including co-curricular clubs, special events, and more. Together, we can build a city-wide community that empowers families, nurtures faith, and provides excellent opportunities for our youth to flourish.

Thank you for being a part of this exciting event. We can't wait to walk alongside you in this journey toward finding the right educational path!

Warmly,

Sherri Baierl
Executive Director
SERVE, Inc.

EXPO Speakers

David Roth, Pastor – OneWay Christian Church

David Roth has the honor and privilege of pastoring OneWay Christian Church (established in 2017).

He has been married for 28 years to his wife Tami and they have two children – son Taran and daughter Macy. David and Tami have three grandchildren.

David was called to ministry later in life and stepped away from his insurance sales career (October 2021) where he served as an executive and officer for a large employee benefits insurance company. David now focuses fulltime on serving as pastor of OWCC and does parttime consulting in the employee benefits industry.

David is also one of the founding members of the Men of Iron Conference, which is an annual conference designed to motivate and inspire men to live out their godly roles in their families, churches, workplace and community.

David enjoys cycling, golf, family time and quiet time with Tami.

Dr. Duke Pesta -- Executive Director of Freedom Project Academy, host of the Dr. Duke Show podcast, and a tenured professor of English at the University of Wisconsin Oshkosh.

He received his M.A. in Renaissance literature from John Carroll University and PhD in Shakespeare and Renaissance literature from Purdue University.

Dr. Pesta is one of America's foremost authorities on the dangers of Critical Race Theory, Common Core, and the federal takeover of education, having delivered over 2800 talks in 48 states. He has testified before 24 state legislatures and legislative committees on education-related issues. Dr. Pesta is active in educational reform and was instrumental in developing and implementing an elective Bible course that is currently available for public high school students in Texas.

Dr. Pesta hosts his own program about education—The Dr. Duke Show—which covers educational issues from preschool through graduate school (DrDukeShow.com). Among his many media interviews, he has appeared on Fox News, Fox Business, TheBlaze, and is a regular guest on a number of nationally syndicated radio programs. His collective videos and presentations top more than 150 million views online, and much of his work is available at FreedomProject.com and FPEUSA.org

Other Groups You May Want to Know About
SERVE is a friend of many Christian non-profits.

These are groups that could support your student or their families. Many non-profits in this area support those in need with special skill sets. We have a great diversity of riches. These are just a few that have linked arms with SERVE to champion anything that points towards discipleship.

YoungLife

Heather Faulkner, E.D.

Weekly and annual youth events all over the region.

Awaken

Kasia Klaus, E.D.

Championing the end of human trafficking with support programs for those in need.

Adult and Teen Challenge

Vaushawn Johnson

Championing those in recovery with resident programs and support programs for those in need.

If you would like a non-profit connection, please contact Sherri Baierl.

The Christian Educators Expo is an outlet to connect and initiate conversations with families interested in partnering with private schools in NE Wisconsin. When it comes to raising their children in the Lord, there are times when parents are just overwhelmed and need some extra help to come alongside them; a private Christian school can be a good partner.

The Expo will allow parents to see the wide variety of private Christian schools in Northeast Wisconsin that can truly cater uniquely to each child and help better prepare them for the plans that the Lord has in store for them.

In addition, the Expo will allow parents to know and understand ALL options that can be available to them with private Christian schools. Many parents think that their children have to attend private schools full-time, but many of our private schools in the area partner with homeschoolers to provide part-time options as well. Students can participate in chapel, Bible studies, specific classes, co-curricular, outreach & serving opportunities, field trips, etc.

Bottom Line: whatever Christian education alternatives you want to explore as a parent in Northeastern Wisconsin, you will find it at the Christian Educators Expo.

A few years ago The Christian Educators' Network formed to serve the community and to discuss unity among those who care for and disciple young people.

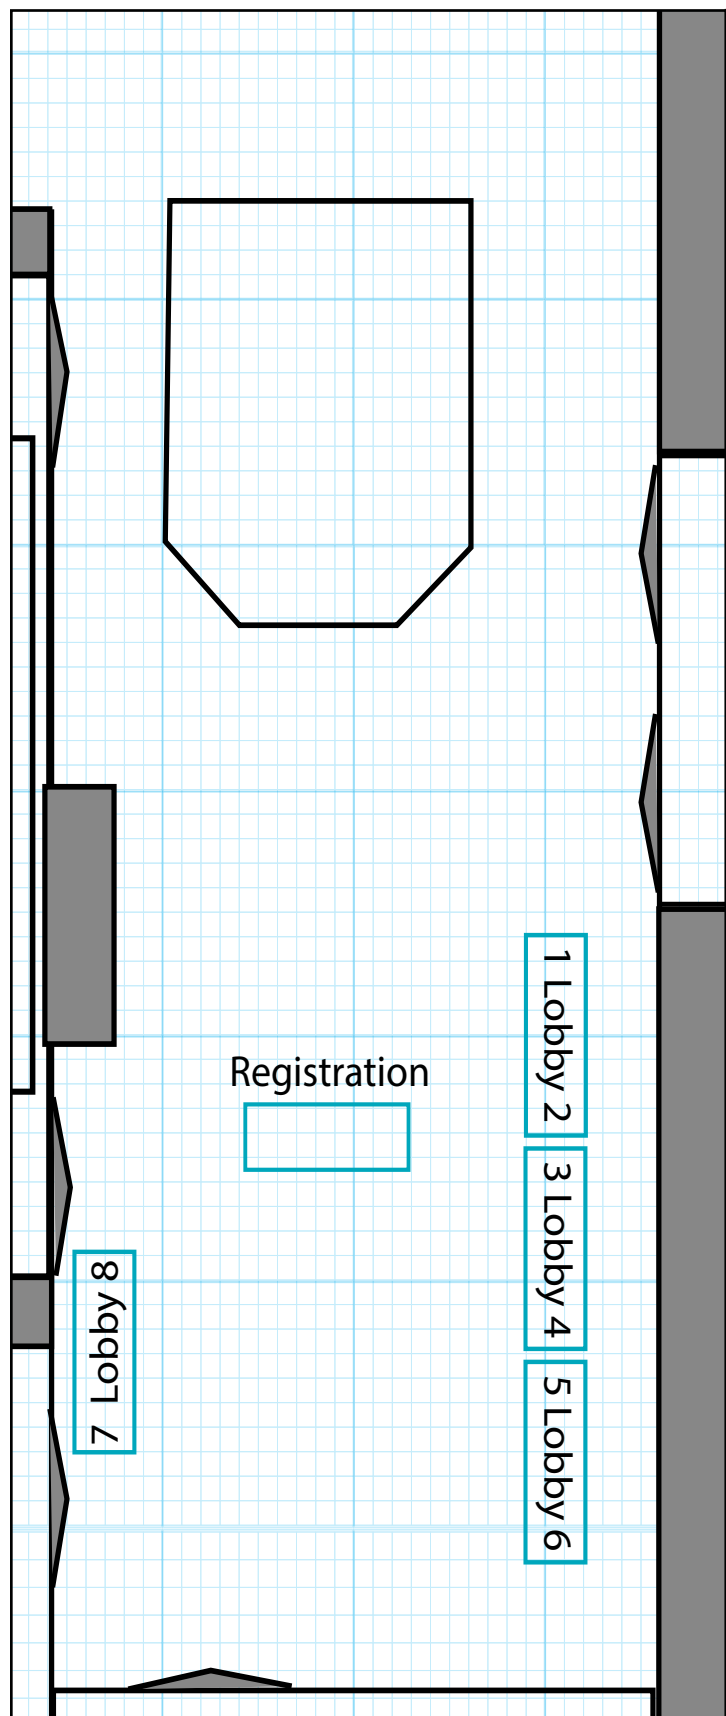

The group has been meeting for a couple of years. It is interested in community-wide collaboration to support Christian families and collaborate to enrich the experience of youth throughout the region.

This network is primarily led by SERVE Inc., Grace Christian Academy, Homeschool Loft, Tentmakers, and NEW Lutheran Schools Association (and more) and continues to expand. The ongoing interest is in serving students to the best of our ability. To do this it is important to be in communication, collaborate with special programs and athletics, and more.

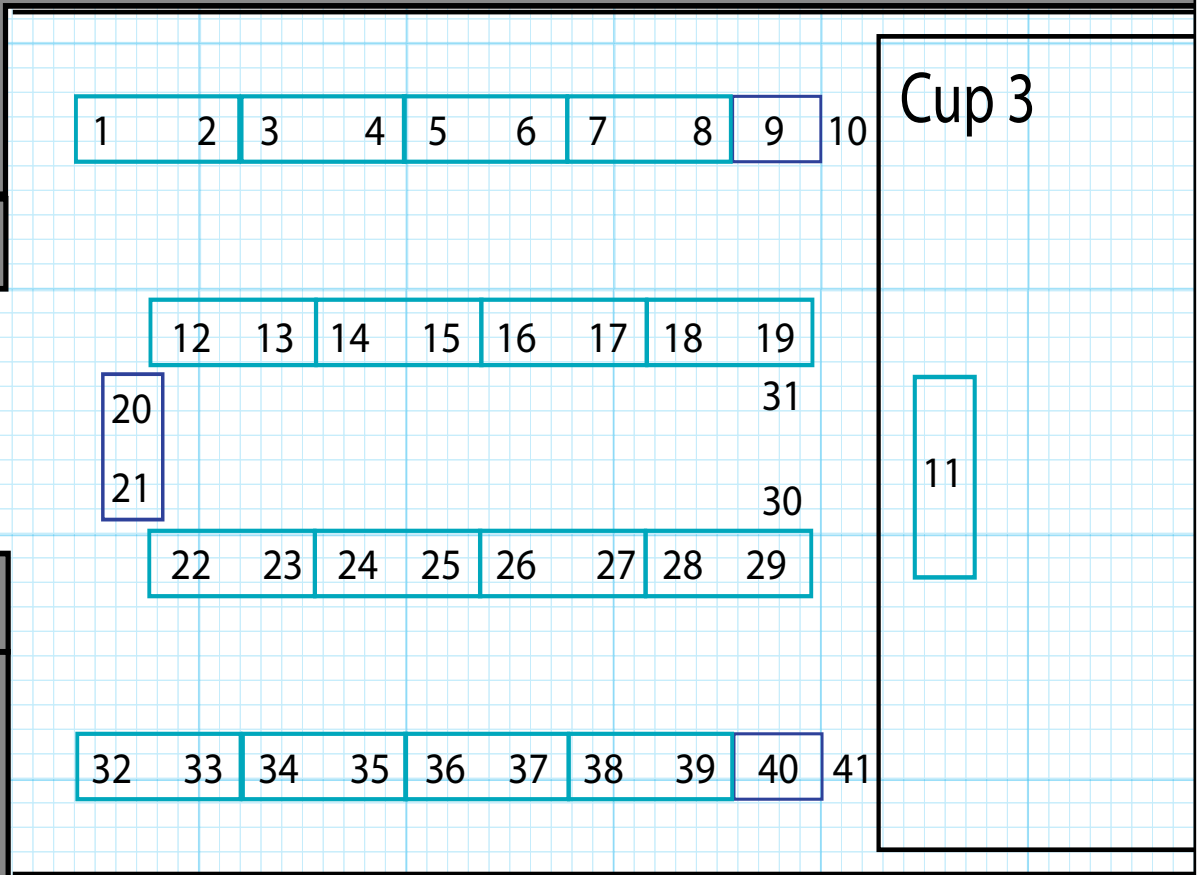

We hope to eventually have programming that is city-wide and encourages the community to connect such as dances or even a chess club. Reach out to Sherrri Baierl and get involved. sbaierl@gmail.com

Prayer Canopy

Please review the available slots below and go to <https://bit.ly/3W8p1fj> to sign up. Thank you! SERVE was introduced to a prayer canopy from a couple who run one in Cincinnati. The basic premise is that 52 groups take turns opting to pray for their region for one week through the year, making sure it is completely covered. They often refer back to the seven mountains. (Below.) I put together a Green Bay and Fox Valley Prayer Canopy here on SignUpGenius for people to use to claim their dates. The first day of the week is listed. Upon signup, you should be able to add your org. Name. Mountains of Influence to continue to cover for GB and the Fox Valley: RELIGION, FAMILY, EDUCATION, GOVERNMENT, MEDIA, ARTS & ENTERTAINMENT, & BUSINESS.

You can homeschool.
WE CAN HELP.

Classical Conversations empowers you to guide your child's educational development at every age (while teaching you, too!). When you're a part of Classical Conversations, you belong to an extended family that is committed to journeying together.

Our classical, Christian homeschool programs provide support, accountability, and community from kindergarten through high school graduation (for students & parents)!
